

Netherhall School  
Examination Certificate Collection Form  
Summer 2024

If you are unable to collect your examination certificate(s) in person, these can be collected on your behalf by a nominated individual.

This form should be completed and handed to the Exams Officer by your nominated individual at the time of collection. All nominated individuals must provide photographic ID (unless certificates are being collected by a sibling currently in school) and all certificates must be signed for; in the absence of pupil permission, certificates cannot be issued.
